

Green Table

River frontage + river activity.
utilising the river - making full potential.

Retain the brewery in some way craft brewery
- a micro brewery perhaps.
recognising the industrial heritage of Kilkenny
we are agreed we are not talking about
heavy industry.

Employment.
we want to see lots of jobs - employment is
very important.
could be - education - 3rd level.
- small businesses.

for all ages -
Civic space - eg. climbing wall, skate park.
Theatre, museum, plaza, Cafés.
~~one build~~

Transp. - Dunnes store carpark to be rethought.
narrow streets - in the heart of city pedestrianised.
connectivity of city - shuttle bus service
integrated city transport system.

Buildings.
- one building that is the focal point.
- mixed use.
- various heights - not too many very high rise.

Don't want
another big car park.

- Age friendly
- social inclusion
- public food has to
be at the forefront
- This has to be done
tastefully. The 'wow'
factor

- retaining the
same scale &
proportions
- continuing the
heart of a city

St. Francis well - ~~better~~ - important.

Historical building.

to be retained, developed, respected, maintained, ^{preserved} available to public.

re-imagining old building + put to good use?

Abbey to be a focal point of development.
