- ❖ CONCERNS ABOUT PROCESS + the section  
of Being pushed ~~through~~ After  
Announcement of Workshop *unanimous*
- ❖ Public's lack of trust in the KKCC +  
Processes it uses *unanimous*
- ❖ SUBMISSIONS MADE TO COUNCIL Already  
Should have been available today  
to inform this process
- ❖ NOT A Great idea to put in a section  
of before you have asked the public  
for their input
- ❖ This WORKSHOP should be a visioning  
workshop on a blank sheet
- ❖ We need to know the council's vision as part  
of this process

What is resource efficiency?
