

Indoor Uses & Activities

	<p>AREA NEEDS SAME PEOPLE LIVING THERE homes, but maybe smaller</p> <p>ARTS/centre workshop spaces for Local Artists</p>
	<p>THINK LEVEL</p> <p>not bad, but for UK needs smaller buildings &amp; green space</p>
	<p>not bad, but for UK needs smaller buildings &amp; green space</p>
	<p>BUT CRAFT BREWERY OK</p> <p>NO SIG MAY TYPE OUTLETS, WE HAVE SNOUCH</p>

Group Notes: A community space/hub meeting place/for Community Groups/Social enterprise. Interactive/spaces for PEOPLE...

Area Character

	<p>BUT NEED A BETTER BLEND OF OLD AND NEW.</p>
	<p>Looks too retail and high-AM</p> <p>nice design but buildings should be stone "medieval" style.</p>
	<p>not bad, though buildings would look better smaller</p>
	<p>not bad, but too many cars, should be pedestrianised</p>
	<p>MAYBE UNDERGROUND PARKING ONLY</p>

I haven't seen a representation here of a type of character for the space. It should be good mix of old with new done in a seamless way - as per Bath in England. Use the Green sticker for 'Most Preferable Option' and the Red Sticker for the 'Least Preferable Option'. Our city needs a design philosophy or brand for sustainability & how it looks which would work across the town.

Outdoor Uses & Activities

	<p>NEED TO LOOK AFTER THE YOUTH SKATEPARK</p>
	<p>not bad, but for UK needs smaller buildings &amp; green space</p>
	<p>WOULD BE GOOD BUT NOT THAT GOOD</p>
	<p>under the CAS bridge</p>

Use the Green sticker for 'Most Preferable Option' and the Red Sticker for the 'Least Preferable Option'

Getting Around

	<p>PLENTY OF GREENERY</p>
	<p>Chuttle to a pedestrian area</p> <p>Shuttle bus idea good for space &amp; park - ride being across the city is much to possible</p>
	<p>wheelchair accessible</p>
	<p>not bad but too many cars, should be pedestrianised</p>
	<p>MAYBE UNDERGROUND PARKING ONLY</p>

Access for all wheelchair, deaf, blind groups. Signage / accessibility and usability for all Disability groups. Use the Green sticker for 'Most Preferable Option' and the Red Sticker for the 'Least Preferable Option'
