Údar: Charlotte Shillabeer

Stádas: Submitted

Submission:

Objection to rezoning land as suitable for wind turbines ,
Development Plan 2014/2020

Comhairliúchán:

Kilkenny City and County Draft Development Plan 2021-2027

Land previously zoned as unsuitable for wind turbines is now being considered for wind turbines

Caibidil: Environmental
Reports

Neolithic sites need to be preserved

Main opinion:

Wind turbines will damage land with historical value

Main requests:

That land currently zoned as unsuitable for wind turbines is kept as such

Main reasons:

Cultural heritage, archological value, and aesthetic value of land may be set aside for the sake of environmental issues which can be solved in other ways.
