Submission on relevant planning issues:

- ① The number of proposed houses in love lane. 40 houses is too many - look at reducing number.
- ② Reassure that existing wall dividing love lane from new site remains - with new stone wall in place.
- ③ That love lane is not used as an entrance or exit to new housing estate.
- ④ A new and safer junction at the top of the lane.
- ⑤ It was not clear on this Plan what is happening with this road - it is to stay a cul de sac. but there was no clear guide on would the road stay the same or widened. -
- ⑥ also objection to changes at back of house
? will there be walls put in place at the back of gardens.
