BALLYAGGET DEVELOPMENT ASSOCIATION

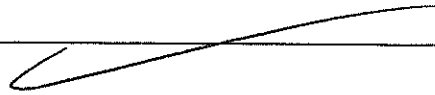

Public consultation Meeting attended (if any) PBS in BALLYAGGET

Submission on relevant planning issues:

To ask Planning for future Section to work with the
USE to ensure Ballyagget Medical Centre is upgraded
to serve the needs of Ballyagget & surrounding areas
into the future. The Medical Centre urgently requires
an extension to existing facilities to include Practice
Museum & other services for the benefit of the local

Community Without upgrade works the Medical
Centre will not survive.

Organisation, Business or Group Represented (where appropriate)

Public consultation Meeting attended (if any) YES

Submission on relevant planning issues:

To address issue of Dog fouling - we scourge our green areas i.e. Playground, futsal pitches, Streets etc. We all love our dogs - a workable solution to dog fouling is required for the benefit of all in the community.
