Re: Kilkenny City and County Development Plan – 2021-2027

Dear Sirs/Madam,

Dicksboro GAA club welcomes the opportunity to make a submission to the Kilkenny City and County Development Plan – 2021-2027. This submission notes and supports the submission of our Dicksboro Camogie club colleagues under reference KK-C162-74.

We are a club with origins stretching back to 1909 and have been part of the fabric of the community of St Mary's & St Canice's parishes in Kilkenny for 112 years since. We currently serve over 900 members and field 30 teams in Hurling, Camogie and Gaelic Football from U6 upwards.

Dicksboro is a community-based volunteer organisation promoting Gaelic games, Gaelic culture and lifelong participation. Our vision is that everybody be welcomed to participate fully in our games and culture, that they thrive and develop their potential and be inspired to keep a lifelong engagement with our club and association.

Our values are centred on our Community Identify, Amateur Status, Inclusiveness, Respect, Player Welfare & Teamwork. Our clubs ambition is to grow in size in line with the expected population growth in the Western Environs and Loughmacask area over the duration of this development plan. Our Executive Committee are focused on being able to continue to serve the needs of our communities into the future but we are also realistic as to what is possible in terms of our existing playing facilities and the limitations to growth which comes with not having sufficient such facilities.

At present we have two playing pitches at our Palmerstown grounds and we have a lease agreement in place with Kilkenny Agricultural Society for James Park which provides us an additional adult and juvenile playing pitch.

We estimate that our club could potentially double in size throughout the lifetime of this development plan and to that end we would welcome any potential opportunity that could be afforded to us to attain the use of two additional playing pitches in the Western Environs / Loughmacask general area.

We welcome any opportunity to discuss this further with you and wish you all the very best.
